**PARENT PERMISSION/RELEASE OF INFORMATION**

**FOCUSED Ministries, Inc.** <sup>TM</sup> is a faith-based, non-profit organization working girls ages 13-18.

---

FOCUSED Ministries, Inc. is a faith-based, non-profit organization working with girls ages 13-18 living in and around the North Shore. Girls **FOCUSED** is a mentoring program at its core but is also a gathering place where we talk about the everyday issues facing girls today and address them from a Biblical perspective. In our meetings, Christian women connect with girls through food, activities, and discussions about youth-related issues/topics. We invite guests speakers, experts in their field of social/emotional health, career and vocational exploration, and health and nutrition, to come and talk with the girls. We perform community service projects. Our goal is to empower girls with practical, Bible-based knowledge so that they can be all that God has called them to be!

We are not an organization trying to push a particular religious agenda or doctrine, but our foundation is based on the Word of God. We really just want to be an added level of support and a resource to girls, and their families, in this day and age.

With the above understanding, please sign below, and return to a FOCUSED Ministries, Inc. Staff person:

I **agree** to above conditions and will allow my daughter to be a part of the Girls **FOCUSED** mentoring program under FOCUSED Ministries, Inc. and to post digital images on its social media outlets with the sole purpose of extending the mission and vision of the ministry.
